EXAM TYPES:

- **MEDICAL EXAM:** This exam is to evaluate and diagnose overall eye health where there are underlying systemic, medicinal, or vision issues to include red eyes, dry eye syndrome, allergic disorders, diabetic retinopathy, glaucoma, etc. If any type of prescription other than for vision correction is provided, the exam will be considered a medical exam.
- **ROUTINE VISION:** A basic vision exam to provide an overall eye health evaluation and refraction. NO other vision problems exist. If a routine exam is scheduled, but the doctor must treat you for other vision problems, a medical exam will be billed.

CONTACT LENSES PATIENT AGREEMENT:

An additional exam and fee for a contact lenses fitting and evaluation to include a trial pair of contact lenses and up to 3 follow-up visits to confirm the proper fit and comfort of contact lenses within 60 days. - \$50 Simple Evaluation (Basic spherical fitting or returning patient in the same modality).

- \$75 Complex Fit (Monovision, Multifocal or new patient to contact lenses).

This is not billed to insurance. There will be no refund on custom lenses, opened boxes of lenses or colored lenses. There will be NO refund of the exam, fitting, or annual contact lens examination fee.

CONTACT LENS HYGIENE: Always wash and thoroughly dry your hands before handling contact lenses. Follow your recommended contact lens replacement schedule. Carefully and regularly clean contact lenses daily or as directed by an eye doctor. Use only fresh, unexpired contact lens solutions to clean and store contact lenses. Unless directed, do not use water or saline. Remove contact lenses before swimming in pools, lakes, or hot tubs. Don't share lenses with others, Don't sleep or nap in your contact lenses. Stop contact lens wear, dispose of contacts and container cases and contact our office if you experience any complications like burning, redness, irritation, scratching, poor vision or discharge.

DILATION OF THE EYES:

If the doctor feels it is necessary, the doctor will dilate your eyes. Dilation is a procedure where drops are instilled in the eyes to enlarge your pupils. This provides the doctor with a more thorough evaluation of the structures inside your eyes, for the detection of eye diseases such as Glaucoma, Cataracts, Tumors, Retinal Detachment, Diabetes, Hypertension, etc. Dilation may temporarily blur your vision and make you more sensitive to light (disposable sun shades will be provided). This process is included in the exam price and there is no extra charge if performed the same day. If rescheduled for another day, a \$45.00 re-scheduling will apply.

- Should you elect to receive such treatment, you acknowledge the fact Susan L. Johnson, O.D., employed or other contracted Optometrists, and Boerne Vision Center, P.A. recommend you do not drive a vehicle or operate any machinery for a period of at least two (2) hours thereafter. Dilation affects individuals in different ways, and in some patients can continue to adversely alter vision beyond such a period of time. As a condition of performing a pupillary dilation, you agree to INDEMNIFY and DEFEND Susan L. Johnson, O.D., other employed or contracted Optometrists, Boerne Vision Center, P.A. and all its agents and employees from any and all claim(s) and/or lawsuit(s) from third parties allegedly attributable to this procedure. Further, also as a condition of the dilation, you agree to RELEASE, ACQUIT, and FOREVER DISCHARGE Susan L. Johnson, O.D., and other employed or contracted Optometrists, Boerne Vision Center, P.A. and all its agents and employees from any and all liability to third parties alleged to be attributed to this procedure.

WELLNESS SCAN:

The "Wellness Scan" allows us to evaluate your retina and general eye health through digital images. The scanning system is safe for kids and adults. Our doctors recommend that ALL patients have a thorough examination of their retina every year. Without the "Wellness Scan" or dilated examination, the doctor cannot fully assess the health of your eye. The dilation is free with your exam while the optional "Wellness Scan" has an additional \$39 cost. Dilation may still be required if the doctor finds it medically necessary.

I understand that if I experience an urgent medical matter after the telemedicine session, I should alert my treating physician, and in the case of an emergency dial 9-1-1, or go to the nearest hospital emergency department. I understand I can ask questions and seek clarification of the procedures and telemedicine technology. I understand that I can ask that the exam and/or video conference be stopped at any time. I know there are potential risks with the use of technology. These include but are not limited to: Interruption of the audio/video link, disconnection of the audio/video link, and/or a picture that is not clear enough to meet the needs of the consultation. In the event the telemedicine session is interrupted, disconnected or does not meet the needs of the consultation due to a technological problem or equipment failure, alternative means of communication may be implemented or an in-person medical evaluation may be necessary. I understand that I have the right to withdraw my consent to the use of telemedicine during the course of my care at any time. I acknowledge that I have been provided with written notification of the distant site telemedicine provider's privacy practices.

RELEASE OF INFORMATION: To facilitate my care and/or treatment using telemedicine, I voluntarily request and authorize the disclosure of all and any part of my medical record, including oral information, to my telemedicine providers.
